

# Access 10 user guide

March 2011

*From the Spanish Companies Directory*

**Camerd**ata  
Información Empresarial *on-line*  
Cámaras de Comercio

## ***Introduction***

Easy, quick and clear. Those are the 3 premises that set this guide. You will also find it at [www.camerdata.es](http://www.camerdata.es)

The aim of this document is to help you access information you need and learn how to research in the **Spanish Companies Directory** as an online user. For this you will first need to register.

We hope this will be a good tool for all users who are not familiar with Internet and databases.

However, we will remain at your disposal from our **Client Support Line +34 93 123 45 67** and through email [international@camerdata.es](mailto:international@camerdata.es) to solve any doubts or questions that might arise.

**Camerdata, S.A.**

District (Catalunya), Islands (Balears, Canarias), Navarra:  [Help](#)

---

#### Economic - Financial Details

Turnover:  [Help](#)

No. of Employees:  [Help](#)

Import/Export:

No. of Branches:

## **HOW TO SEARCH**

- There is no need to fill in all fields, only use the ones that are of interest for your selection of companies.
- Fill in the information you wish to locate and press  **SEARCH** on the right hand side.
- The more fields you fill in, the more will you reduce the number of results.

### **Example:**

VAT Number:	<input type="text"/>
Name :	<input type="text"/>
Activity Code :	<input type="text" value="254"/> <a href="#">help</a> 
Business type :	<input checked="" type="checkbox"/> Legal <input type="text"/> <a href="#">help</a> 
	<input type="checkbox"/> Physical (Individual entrepreneur)
Establishment date :	<input type="text" value="&gt;="/>  <input type="text" value="1970"/>

Search juridical companies established since 1970 that produces pharmaceutical products.

- Comma (,) is used to separate selected codes and looks for documents that have any of the codes or both.
- All fields that include a help field are codified, in order to make your selection you need to open the help window and chose the codes you wish.

### **Example:**

Province Code:	<input type="text" value="08,28"/> <a href="#">help</a> 
----------------	---

Looks for companies in the province of Barcelona or in Madrid or in both.

- When preparing your research, be aware that you can't search information by exclusion.

## **AVAILABLE FIELDS**

### **ADDRESS TYPE: HEADQUARTERS - BRANCH**

- Select one or both options depending on the type of addresses you wish to locate:

**Headquarters** (will locate the main address for the company)

**Branches** (will locate the same company as many times as it has branches)

**All** (click on both headquarters and branches)

### **IDENTIFICATION DATA**

- **VAT number:** complete VAT number of the juridical entity to locate, without dashes or slashes. This option does not allow to research self employed businessmen.
- **Name / Brand name:** write in capitals or lower case one or several words of the name of the company or (its brand name) that you wish to locate. Please be aware that our system does not allow to search incomplete words (do not use % or \*to complete a missing letters)
- **Activity code:** use the help button [help](#) to see and select one or several activity codes. Please note that each underlined description means that you can click on it and access more specific activities. If you can't locate the desired activity, try to look for the name of a company that you know (in the Name field) or a key word that defines it. For instance, if you look for "video club" as a brand name, you will notice that most of the located companies have the activity 8562 = rental of video films.
- **Business type:**
  - Legal:** (Sociedad Anónima, Sociedad Limitada, Sociedad Colectiva, Sociedad Comanditaria, Comunidad de Bienes, Cooperativa, Asociación, Corporación Local, Organismo Público, Organismos de la Administración, Comunidad de Propietarios, Sociedad Civil, Unión Temporal de Empresas, Otros Tipos no definidos, Congregación e Institución Religiosa y Establecimiento entidad no residente en España)
  - Physical:** (Individual entrepreneurs)
  - All:** (click on both legal and physical)
- **Establishment date:** Allows to select companies by year of constitution using >= bigger or equal to, = equal to, < smaller than, > bigger than.

### **LOCALIZATION DATA**

- **Address:** street name, avenue, square, etc.
- **Province code:** the help link [help](#) will show the corresponding code to select one or several provinces. Note that the assigned code to each province corresponds to the two first digits of its zip code.
- **Zip code:** write the complete zip code. The system only allows to introduce ten zip codes at a time.
- **Municipality code:** the help link [help](#) allows you to select the municipalities from a province or look for one specific using its three first letters. The system only allows to select twenty municipalities at a time
- **Autonomous region:** click on the [help](#) link and select one or several autonomous regions. When searching simultaneously by province and autonomy, the system will for example look for companies in the province of Soria or companies from the autonomous region of Aragon.

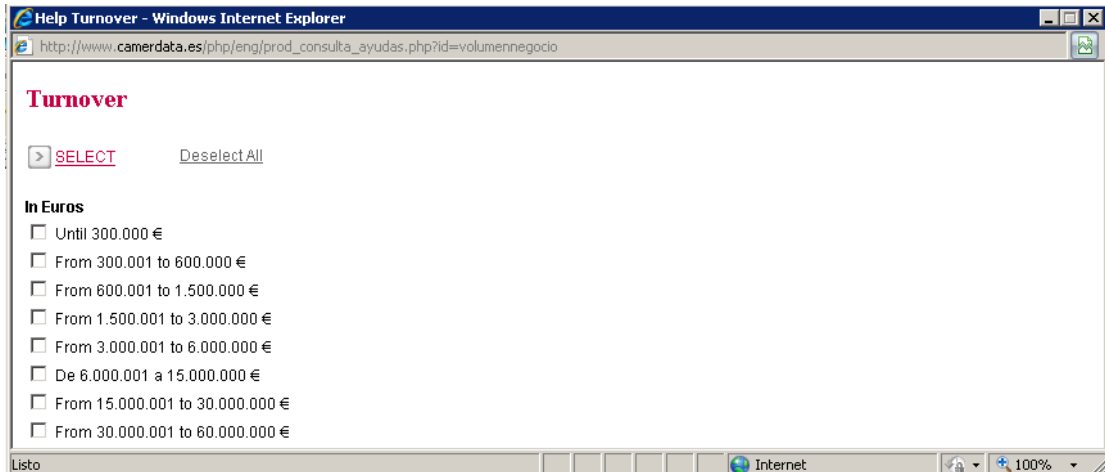

- **District** (Cataluña, Baleares and Canarias): click on the [help](#) link and select the code of one or several districts.

Please note that if you are looking for companies located in a certain zip code, there is no need to fill in the province code or the one of the corresponding autonomous region. With the Zip code it's enough.

## ECONOMICAL DATA - FINANCE

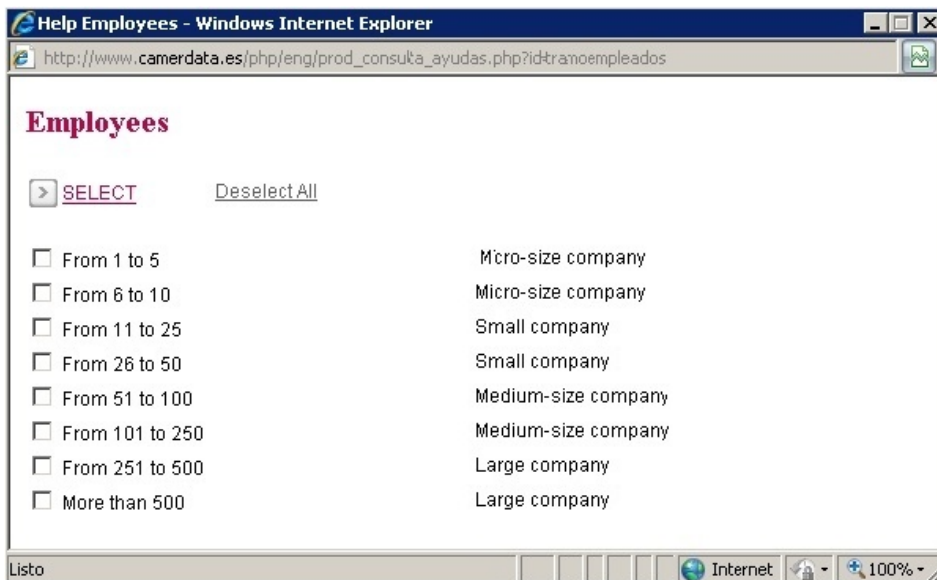

- **Turnover:**

Click on [help](#) and select the desired turnover interval.

- **Employees:**

Click on [help](#) and select the desired employee's interval.

- **Import/ Export:** allows to select the companies that do import-export or companies that don't.

- **Number of branches:** locates companies with a determined number of branches::  $\geq$  bigger or equal to,  $=$  equal to,  $<$  smaller than,  $>$  bigger than.

## SEARCH FILTERS

Allows to only search for entries that contain certain fields informed: telephone, turnover, employees, external trade, contacts and position held, URL (website).

***Please keep in mind that all entries do not have all the data. Using filters limits search results.***

Also remember that using a filter does not imply that the requested information will appear on your download. In order to do so, you will need to select it on the quotation.

### Search filters:

Only show entries with:

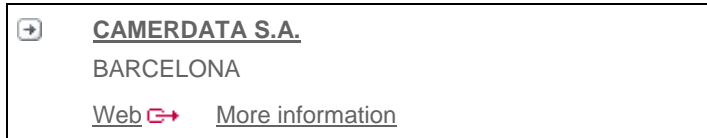

- Telephone
- Turnover
- Employees
- External trade
- Contacts and position held
- Website U.R.L.

## SEARCH RESULTS

As an Access 10 user, you will be able to visualize all available data: on each company and make downloads.

### WHAT CAN I SEE

- The System allows to display a maximum of 10 results for each search. This is how the information will appear:

- For each entry, the following options to access more information will be displayed:
  - Website (link to the company's website)
  - More information

In order to grant you access the system will display a new window and ask your "**Login**" and "**Password**".

- Place order or download data to you computer:

Click on **Quote** and log in.

- With your login, you will be able to download information from the quote window.

### AVAILABLE DATA

#### COMPANY'S WEBSITE LINK

- Clicking on [Web](#) from the result page and / or from [More information](#) will show the company's website in a new window, without additional charge.
- In order to modify your company's information or add it, please fill in the form: **Modify data**. This form is available through [More information](#). After checking the accuracy of the submitted information, we will proceed to upload them.

#### OTHER ADDRESSES

- Clicking on **Other addresses** from the [More information](#) page, will show a list with all the addresses of the displayed company.
- (P) means headquarters and (S) branch address. There is no charge for this.

##### **CAMERDATA S.A.**

[ P ] AV DIAGONAL, 452 3 - BARCELONA

[ S ] RIBERA DEL LOIRA, 56 58 - MADRID

## MORE INFORMATION

- Clicking on **More information** from the result page will display the data available: location, activities, telephone, fax, website, establishment date, employees interval, turnover interval, import/export and contacts and their position.
- **More information** free for Access 10 users and shows the following information:

# Spanish Companies Directory

### Statutory information

Pursuant to Organic Law 15/1999 dated 13 December on the Protection of Personal Data, all communications which you send to individual entrepreneurs must contain, on any labels or deliveries, the company's business activity code to identify that you are contacting the addressee in a business context. This field describes the sector(s) to which the company belongs (e.g. Business Activity Code N° 5,6).

### **Statutory information**

Pursuant to Organic Law 15/1999 dated 13 December on the Protection of Personal Data, all communications which you send to individual entrepreneurs must contain, on any labels or deliveries, the company's business activity code to identify that you are contacting the addressee in a business context. This field describes the sector(s) to which the company belongs (e.g. Business Activity Code N° 6.5).

---

- In order to modify your company's information or add it, please fill in the form: **Modify data**. This form is available through **More information**. After checking the accuracy of the submitted information, we will proceed to upload them.
- In order to start a new search click on **RETURN**

# QUOTE

## QUOTE PAGE

Every time you wish to download the information of your search, go to the Quotes section that you will find on the right hand side of your screen.

### « **BACK**

In order to make orders or download data to your computer.

[Quote](#)

To access this option you will need to log in.

## Quotes Step by step

**1- Select the desired "Data Options"** and you will notice that "**Total**" updates and displays the cost of your request.

Data types:  Basic  Plus Telephone  Plus Trade Volume

(name, address, activity)

Complete data

You have 5 options:

- Basic data
- Basic data + telephone
- Basic data + turnover
- Basic data + telephone + turnover
- All available data

**IMPORTANT:** All available data also downloads entries that do not have all the required data. If you wish to optimize your download, in the search page select the filter options: "only search for entries with".

## 2- Request data:

[SAVE QUOTE](#)

[DOWNLOAD](#)

- Click on [DOWNLOAD](#) to immediately fetch your data
- If you prefer to save your search for later, click on ["SAVE QUOTE"](#) and it will remain under the section [Order Management](#).

## DATA DOWNLOAD WINDOW

- In order to download click on [DOWNLOAD](#).
- If you prefer to save your search for later, click on "[SAVE QUOTE](#)" and it will remain under the section [Order Management](#).

### DATA RETRIEVAL WITH MICROSOFT EXCEL ®:

Save your download on your computer and double click on it. By default, it will open under Microsoft Excel.

### AVAILABLE FORMATS

There are 5 data formats available to download:

#### **BASIC DATA**

- Identification number
- Name of the company
- Brand name
- Complete address
- Zip code
- Municipality
- Province
- District ( Catalunya, Illes Balears and Canarias)
- Legal status of the company code
- Main activity code
- Codes of other activities (maximum 20)

2231	Unwelded tubular steel products (pipes and hollow profiles)
2232	Tubular steel products welded length-wise
2233	Tubular steel products welded helically
2234	Accessories for pipes (except smelting)
224	Steel drawing, attenuating, shaping and cold rolling
2241	Steel wire
2242	Drawn and calibrated products
2243	Descaled calibrated products (milled)
2244	Straightened calibrated products
2245	Cold set sections
2246	Cold rolled strips
2247	Cold rolled magnetic strips
2248	Covered strips
225	Production and preliminary processing of non-ferrous metals
2251	Production and preliminary processing of aluminium
2252	Production and preliminary processing of copper

2259	Production and preliminary processing of other non-ferrous metals NES
23	Extraction of minerals other than metallic and energy-producing minerals: peat extraction
231	Extraction of building materials
2311	Extraction of clay substances
2312	Extraction of rocks and slate for construction
2313	Extraction of sands and gravel for construction
2314	Extraction of gypsum
2319	Extraction of other building materials NES
232	Extraction of potassium, phosphate and nitrate salts
2321	Extraction of potassium salts
2322	Extraction of phosphates and nitrates
233	Extraction of common salt
2331	Extraction of sea salt
2332	Extraction of spring salt and rock salt
234	Extraction of pyrites and sulphur
2341	Unroasted iron pyrites
2342	Natural sulphur
239	Extraction of other non-metallic nor energy-producing minerals: peat extraction
2391	Extraction of fluorite
2392	Extraction of peat
2399	Extraction of other non-metallic nor energy-producing minerals NES:
24	Industries of non-metallic mineral products
241	Manufacture of clay products for construction (except refractory goods)
2411	Bricks, blocks and special parts for forging
2412	Roof tiles, floor tiles and other clay materials for construction
242	Manufacture of cements, limes and gypsum
2421	Manufacture of artificial cements
2422	Manufacture of natural cements
2423	Manufacture of limes and gypsums
243	Manufacture of building materials in concrete, cement, gypsum, plaster and others
2431	Manufacture of prepared concretes
2432	Manufacture of fibrocement products
2433	Manufacture of other cement-based goods, except paving blocks
2434	Manufacture of cement-based paving blocks
2435	Manufacture of gypsum- and plaster-based goods
244	Natural stone industries
2441	Ground and classified natural stone
2442	Natural stone simply cut and sawn
2443	Carved stone
245	Manufacture of abrasives
2451	Millstones and similar goods for machines and stones for sharpening or polishing by hand
2452	Other abrasives
246	Glass industry
2461	Manufacture of flat glass
2462	Manufacture of hollow glass
2463	Manufacture of technical glass
2464	Manufacture of glass fibre
2465	Glass handling
2466	Manufacture of ceramic frits and glazes
247	Manufacture of ceramic products
2471	Manufacture of refractory goods
2472	Manufacture of unvarnished and unglazed tiles for floors and surfaces
2473	Manufacture of varnished or glazed tiles for floors and surfaces
2474	Manufacture of ceramic tableware, household items and ornaments
2475	Manufacture of china, porcelain and earthenware health appliances
2476	Manufacture of ceramic insulators and insulating parts for electrical fittings
2479	Manufacture of other ceramic goods NES
249	Industries of other non-metallic mineral products NES
2491	Asphalt products
2492	Asbestos-based products
2499	Products based on other non-metallic minerals
25	Chemical industry
251	Manufacture of basic chemical products (except basic pharmaceutical products)
2511	Manufacture of petrochemical-based organic chemical products

2512	Manufacture of other organic chemical products
2513	Manufacture of inorganic chemical products (except compressed gases)
2514	Manufacture of primary plastic materials
2515	Manufacture of synthetic rubbers and latex
2516	Production of artificial and synthetic fibres
2517	Manufacture of acid and phthalic and maleic anhydride
252	Manufacture of chemical products primarily for agricultural purposes
2521	Manufacture of fertilizers
2522	Manufacture of pesticides
253	Manufacture of chemical products primarily for industry
2531	Manufacture of compressed gases
2532	Manufacture of colourings and pigments
2533	Manufacture of paints, varnishes and polishes
2534	Manufacture of printing inks
2535	Treatment of oils and fat for industrial uses
2536	Manufacture of essential oils and aromatic, natural and synthetic substances
2537	Manufacture of glues and gelatins and auxiliary products for the textile, leather and rubber industries
2538	Manufacture of explosives
2539	Manufacture of other chemical products for industrial use NES
254	Manufacture of pharmaceutical products
2541	Manufacture of basic pharmaceutical products
2542	Manufacture of specialities and other pharmaceutical products
255	Manufacture of other chemical products primarily for final consumption
2551	Manufacture of common soaps, detergents and bleaches
2552	Manufacture of soap bars and other perfumery and cosmetic products
2553	Manufacture of wax and paraffin derivatives
2554	Manufacture of sensitive photographic material
2555	Manufacture of pyrotechnical articles and matches
2559	Manufacture of other chemical products primarily for final consumption NES

### **3 METAL PROCESSING INDUSTRIES, PRECISION MECHANICS**

31	Manufacture of metal products (except machines and transport material)
311	Foundries
3111	Iron and steel part foundries
3112	Foundries for non-ferrous metal parts and their alloys
312	Forging, stamping, drawing, die-casting, cutting and spinning
3121	Forged parts
3122	Stamped or die-cast parts
3123	Drawn, cut or spun parts
313	Treatment and covering of metals
3131	Treatment of metals (hardening, tempering, etc.)
3132	Metallic coverings
3139	Metal protection treatments NES
314	Manufacture of metallic structural products
3141	Metalwork
3142	Manufacture of metallic structures
315	Medium and heavy boiler-making
3151	Large boilers
3152	Large metallic tanks and other heavy boiler-making products
316	Manufacture of tools and goods finished in metal, excluding electrical material
3161	Manufacture of manual tools
3162	Manufacture of hardware and locksmith goods
3163	Screw-making and manufacture of wire-based goods
3164	Manufacture of household items
3165	Manufacture of ovens, heaters and non-electrical domestic heating appliances
3166	Manufacture of metal furniture
3167	Manufacture of metal containers and packaging
3168	Manufacture of light weapons and ammunition
3169	Manufacture of other metal finished goods NES
319	Independent mechanical workshops
3191	General mechanics
3199	Mechanical workshops NES
32	Construction of machinery and mechanical equipment
321	Construction of farm machines and tractors
3211	Construction of farm machines

3212	Construction of farm tractors
322	Construction of machines for working metal, wood and cork; implements, equipment and spare parts for machines
3221	Construction of machines for working metal
3222	Construction of machines for working wood and cork
3223	Manufacture of implements, equipment, parts and accessories for machines - tools
323	Construction of machines for the textile, leather, footwear and clothing industries
3231	Construction of textile machines and accessories
3232	Construction of machines for the leather and footwear industries
3233	Manufacture of sewing machines
324	Construction of machines and appliances for the food, chemical, plastic and rubber industries
3241	Construction of machines for the food, beverages and tobacco industries
3242	Construction of machines for the chemical industry
3243	Construction of machines for the rubber and plastics processing industry
325	Construction of machines and equipment for mining, building and public works, steelworks and foundries and hoisting and handling
3251	Construction of machines and equipment for mining, building and public works
3252	Construction of machines and equipment for the non-metallic mineral products industries
3253	Construction of machines and equipment for steelworks and foundries
3254	Construction of machinery for hoisting and handling
326	Manufacture of transmission components
3261	Manufacture of gears, transmission chains and other transmission components
3262	Manufacture of bearings
329	Construction of other machines and mechanical equipment
3291	Construction of machines for the paper, card and graphic arts industries
3292	Construction of washing machines and dry cleaning
3293	Construction of engines and turbines (except those used in transport)
3294	Construction of machinery for the handling of fluids
3299	Construction of other machines and mechanical equipment NES
33	Construction of office machines and computers (including their installation)
330	Construction of office machines and computers (including their installation)
3301	Office machines and computers
3302	Installation of office machines and computers
34	Construction of machinery and electrical material
341	Manufacture of wires and electrical cables
3411	Insulated wires and cables for communications
3412	Insulated wires and cables for transporting electricity
3413	Insulated wires and cables for reels
3414	Flexible cords and insulated wires for bulb holders
3415	Insulated wires and cables for construction installations
3419	Other insulated wires and cables
342	Manufacture of electrical material for use and equipment
3421	Machines and appliances for producing and transforming electrical energy
3422	Other electrical material for use and equipment
343	Manufacture of batteries and accumulators
3431	Electric batteries
3432	Electric accumulators
3433	Accessories, replacements and spare parts for batteries and electric accumulators
344	Manufacture of meters and appliances for electrical measuring, checking and testing
345	Manufacture of electrical household appliances
3451	Cookers, ovens, hobs and other electrical appliances for
3452	Refrigerators and freezers for domestic use
3453	Dishwashers, washing machines and tumble dryers for domestic use
3454	Electrical water heaters and electrical appliances for heating premises
3455	Fans and air conditioning for domestic use
3456	Auxiliary electrical kitchen appliances
3457	Electrical appliances for home care and upkeep
3458	Other electrical household appliances
3459	Accessories, replacements and spare parts for electrical appliances
346	Manufacture of lamps and lighting material
3461	Electric lamps
3462	Lights for high intensity discharge
3463	Coal and graphite goods for electrical uses
3464	Other lighting material

3465	Accessories, and spare parts for lights and lighting material
35	Manufacture of electronic material (except computers)
351	Manufacture of telecommunication appliances and equipment
3511	Manufacture of telephone and telegraph appliances and equipment
3512	Manufacture of radio communication, radio broadcasting and television appliances and equipment
352	Manufacture of electromedical and professional and scientific appliances and equipment
353	Manufacture of electronic signalling, checking and programming appliances and equipment
354	Manufacture of electronic components and integrated circuits
3541	Electronic x-ray valves and tubes
3542	Other active electronic components
3543	Passive electronic components
3544	Accessories, replacements and spare parts for electronic components and integrated circuits
355	Manufacture of appliances for receiving, recording and reproducing sound and image, recording discs and magnetic tapes
3551	Manufacture of radio and television receivers and appliances for recording and reproducing sound and image
3552	Editing of recorded sound, video and IT
36	Construction of motor vehicles and spare parts
361	Construction and assembly of motor vehicles and engines
3611	Touring cars
3612	Buses and coaches
3613	Lorries
3614	Other motor vehicles
3615	Engines for motor vehicles
3616	Chassis with engine for motor vehicles
3617	Components for motor vehicles
362	Construction of bodywork, trailers and dumper trucks
3621	Bodywork for motor vehicles and trailers
3622	Trailers and dumper trucks
363	Manufacture of equipment, components, accessories and replacement parts for motor vehicles
3631	Engine equipment, components, accessories and replacement parts for motor vehicles (except electrical equipment)
3632	Bodywork equipment, components, accessories and replacement parts for motor vehicles
3639	Other equipment, components, accessories and replacement parts for motor vehicles (except electrical equipment)
37	Ship building, repair and maintenance
371	Ship building
3711	Steel hulled ships
3712	Wooden hulled ships and vessels
3713	Ships and vessels with hulls made of plastic or other materials
3714	Floating structures
3715	Engines, turbines and other propulsion machinery for ships and vessels
3716	Accessories, replacements and spare parts (except metallic structures for naval construction) of ships, vessels, etc.
372	Repair and maintenance of ships
3721	Repair and maintenance services for ships, vessels and floating structures
3722	Scrapping services for ships, vessels and floating structures
38	Construction of other transport material
381	Construction, repair and maintenance of rail material
3811	Rail material
3812	Repair and maintenance services for rolling stock
382	Construction, repair and maintenance of aircraft
3821	Aircraft and aeronautical spacecraft
3822	Repair, revision and maintenance services for aircraft
383	Construction of bicycles, scooters and spare parts
3831	Scooters and mopeds
3832	Bicycles, tricycles and unicycles (except for children).
3833	Special vehicles with propulsion mechanisms
3834	Engines for scooters, mopeds and special vehicles
3835	Accessories, replacements and spare parts for bicycles and scooters
389	Construction of other transport material NES
3891	Farm trailers and animal traction vehicles
3892	Hand-propelled vehicles
3899	Accessories, replacements and spare parts for other transport material NES
39	Manufacture of precision, optical and similar instruments
391	Manufacture of precision, measuring and checking instruments

3911	Non-electrical meters
3912	Instruments and appliances for navigation and aeronautics
3913	Instruments and appliances for topography, meteorology, hydrology and geophysics
3914	Instruments and appliances for measuring, checking and regulating density, temperature, pressure, humidity and similar.
3915	Instruments and appliances for mechanically testing materials
3916	Precision scales and other instruments and appliances for precision measurements
3917	Other instruments and appliances for precision, measuring and checking
3918	Accessories, replacements and spare parts for instruments and appliances for precision, measuring and checking
392	Manufacture of medical/surgical material and orthopedic appliances
3921	Manufacture of medical/surgical material
3922	Manufacture of prosthetic and orthopedic appliances
393	Manufacture of optic instruments and photographic and cinematographic material
3931	Optic instruments and photographic and cinematographic material (except spectacle frames)
3932	Manufacture of spectacle frames (except plastic frames)
399	Manufacture of clocks and other instruments NES
3991	Pocket- and wrist-watches and chronographs
3992	Alarm clocks
3993	Wall and desk clocks
3994	Dashboard clocks for cars, boats, airplanes, etc.
3995	Clocks for towers, façades, stations and similar and clocks for time unification
3996	Devices for checking and measuring time and other instruments using clockmaking mechanisms
3997	Mounted clock machines
3998	Clock casings
3999	Accessories, replacements and spare parts for clocks and other instruments NES

#### **4 OTHER MANUFACTURING INDUSTRIES**

41	Food produce and beverage industries
411	Manufacture and bottling of olive oil
4111	Manufacture and bottling of olive oil
4112	Manufacture of olive oil
4113	Bottling of olive oil
412	Manufacture of vegetable and animal oils and fat (except olive oil)
4121	Extraction and packaging of oilseed oils and olive pomace oil
4122	Obtaining and packaging of oils and fat from marine animals
4123	Refining, hydrogenation, bottling and other similar treatments of vegetable and animal fatty bodies
4124	Obtaining and packaging of margarine and similar fats
413	Slaughter of livestock, preparation and preservation of meat and bird incubation
4131	Slaughter and cutting of livestock in general
4132	Manufacture of meat products of all kinds
4133	Independent cutting rooms, rendering and processing of meat by-products for industrial uses and animal feeding stuffs
4134	Incubation and sale of newborn chicks by purchasing fertile eggs
414	Dairy industries
4141	Preparation of milk
4142	Preparation of preserved milk
4143	Manufacture of cheese and butter
4144	Manufacture of ice creams and similar
415	Manufacture of juices and vegetable preserves
4151	Vegetable preserves
4152	Extracts, juices and other vegetable preparations
4153	Washing, classification and packaging of fruits and other vegetable products
416	Manufacture of fish preserves and other marine products
4161	Fish preserves and other marine products
4162	Residual products from the preparation and conservation of fish and other marine products
417	Manufacture of milled products
4171	Manufacture of flours and semolinas
4172	Manufacture of other milled products
418	Manufacture of pastas and starch products
4181	Manufacture of pastas
4182	Manufacture of starch products
419	Bread, cakes, pastry and biscuit industries
4191	Bread and cakes industry
4192	Cakes, pastry and biscuit industry

4193	Manufacture of fried food
42	Other food products, beverages and tobacco industries
420	Sugar industry
4201	Sugar and sugar syrups
4202	Residual products from the sugar industry
421	Cocoa, chocolate and confectionery products industry
4211	Cocoa and chocolate industry
4212	Preparation of confectionery products
422	Products for animal feeding stuffs (including fish meal)
4221	Dehydrated fodders, molassed fodder, etc., for animal feed
4222	Fish meal and meals from animal by-products, products derived from recycling and processing of food waste and other preparations for feeding stuffs
4223	Preparation of compound feeding stuffs of any type (except those in heading 4224)
4224	Preparation of other compound feeding stuffs for dogs, cats and other domestic animals.
423	Preparation of miscellaneous food produce
4231	Preparation of coffee and tea and artificial coffee
4232	Preparation of readymade soups, extracts and condiments
4233	Preparation of dietary and weight-loss products
4239	Preparation of other food products NES
424	Ethyl alcohol fermentation industries
4241	Distilling and rectification of alcohols
4242	Obtaining of natural spirit
4243	Obtaining of compound spirit, liqueurs and aperitifs not made from wine
425	Wine industry
4251	Wine manufacture and aging
4252	Manufacture of sparkling wines
4253	Manufacture of other special wines
4259	Other wine industries NES
426	Cider making
4261	Cider and other similarly fermented beverages
4262	Residual products of cider making
427	Manufacture of beer and beer malt
4271	Beer and beer malt
4272	By-products and residual products of beer manufacture
428	Mineral waters, sparkling waters and other non-alcoholic beverages industry
4281	Preparation and packaging of natural mineral waters
4282	Manufacture of sparkling waters and other non-alcoholic beverages
429	Tobacco industry
4291	Preparation of cigarettes and cigars and other tobacco products
4292	Preliminary processing of tobacco without cigarette, cigar, loose tobacco manufacture, etc.
43	Textile industry
431	Cotton and cotton mixtures industry
4311	Preparation of cotton fibres (ginning, carding, combing)
4312	Spinning and plying of cotton and cotton mixtures
4313	Weaving of cotton and cotton mixtures
432	Wool and wool mixtures industry
4321	Preparation of wool fibres (classification, washing, carding, combing)
4322	Spinning and plying of wool and wool mixtures
4323	Weaving of wool and wool mixtures
433	Natural silk and silk mixtures industry and artificial and synthetic fibres
4331	Products of the natural silk and silk mixtures industry
4332	Preparation, spinning and weaving of artificial and synthetic fibres
434	Hard fibres and hard fibre mixtures industry
4341	Prepared hard fibres for spinning
4342	By-products and residual products of hard fibre preparation
4343	Spinning and plying of hard fibres and mixtures
4344	Weaving hard fibres and mixtures
435	Manufacture of knitted goods
4351	Manufacture of piece knitted goods
4352	Manufacture of hosiery
4353	Manufacture of stitched underwear and sleepwear
4354	Manufacture of stitched outer clothing
436	Finishing of textiles
4361	Bleached textiles

4362	Dyed textiles
4363	Patterned textiles
4369	Textiles that are weighted, mercerised or otherwise finished
437	Manufacture of rugs and carpets and of impregnated fabrics
4371	Manufacture of rugs and carpets
4372	Manufacture of impregnated fabrics
439	Other textile industries
4391	Rope-making
4392	Manufacture of felts, tulle, lace, trimmings, etc.
4393	Manufacture of textiles with fibre recovery
4399	Other textile industries NES
44	Leather industry
441	Tanning and finishing of leathers and hides
4411	Unfinished leathers and hides
4412	Finished leathers and hides
4413	Regenerated leathers and hides, by-products and residual products of tanning
442	Manufacture of leather goods and similar
4421	Manufacture of leather and travel articles
4422	Manufacture of leather gloves
4429	Manufacture of other leather goods NES
45	Footwear and clothing industry and other textile creations
451	Mass production of footwear (not made from rubber or wood)
4511	Intermediate products for the manufacture of footwear and finishing services
4512	Mass produced outdoor footwear
4513	Mass produced slippers, special shoes, gaiters and similar.
4514	Leather off cuts and scraps of all origins
452	Handmade and custom made manufacture of footwear (including orthopedic footwear)
4521	Handmade and custom made footwear
4522	Orthopedic footwear
453	Mass production of all types of clothing garments.
454	Custom made production of clothing garments and accessories
4541	Custom made clothing garments
4542	Hats and accessories for custom made clothing
455	Production of other textile items
4551	Production of textile items for the home and upholstery
4559	Production of other textile items NES
456	Fur industry
4561	Natural fur
4562	Artificial fur
46	Wood, cork and wooden furniture industries
461	Sawing and industrial wood preparation (sawing, brushing, polishing, washing, etc.)
4611	Products of sawing and industrial wood preparation
4612	Residual products of sawing and industrial wood preparation
462	Manufacture of semi-finished wood products (panels, boards, improved woods, etc.)
4621	Wooden panels
4622	Veneered wood, plywood and cellular boards
4623	Fibre and particle boards and panels
4624	Improved wood
463	Mass manufacture of parts for joinery, parquet and wooden structures for construction
4631	Wooden doors and windows
4632	Parquet, floorboards and wooden paving tiles
4633	Other joinery parts for construction
4634	Structural elements and prefabricated constructions made of wood
464	Manufacture of wooden boxes and packaging
4641	Industrial wooden boxes and packaging
4642	Cooperage
4643	Cases, trunks, suitcases and other packaging made of wood
465	Manufacture of miscellaneous wooden objects (except furniture)
4651	Wooden objects for domestic and decorative use
4652	Tools, handles, frames and similar wooden items
4653	Wooden items for manufacture and care of footwear
4654	Wooden items for the textile industry
4655	Wooden footwear
4656	Wood meal and wool

4659 Other miscellaneous wooden objects (except furniture), NES

466 Manufacture of cork products

4661 Cork products

4662 Residual products of cork manufacture

467 Manufacture of reed and cane goods, baskets, paint brushes, brushes, etc., (except furniture)

4671 Goods made from plaiting materials

4672 Brushes, paint brushes, brooms and similar

468 Wooden furniture industry

4681 Manufacture of wooden furniture for the home

4682 Manufacture of wooden furniture for schools and offices

4683 Manufacture of miscellaneous wooden, reed, wicker and cane furniture

4684 Manufacture of coffins

4685 Activities related to the furniture industry (finishing, varnishing, upholstery, gilding, etc.)

47 Paper and stationery manufacture industry Graphic arts and editing

471 Manufacture of wood pulp

4711 Wood pulp

4712 By-products and residual products from wood pulp manufacture

472 Manufacture of paper and cardboard

4721 Paper and cardboard

4722 Residual products of manufacturing and processing paper and cardboard

473 Processing paper and cardboard

4731 Manufacture of corrugated cardboard and corrugated cardboard items

4732 Manufacture of other packaging and wrapping made from paper and cardboard

4733 Manufacture of items for the office, desk, etc., made from paper and cardboard

4734 Manufacture of paper and cardboard items for decoration and domestic use

4739 Manufacture of other handled paper and cardboard NES

474 Graphic arts (graphic printing)

4741 Printing of texts or images by any procedure or system

4742 Printing of daily press by any procedure

4743 Reproduction of texts or images by procedures such as multi copies, photocopies by photographic and electrostatic procedures, map reproduction systems, etc.

475 Activities related to the graphic arts

4751 Stereotyping, electrotyping and electroplating, made from rubber and rubber, manufacture of rollers and other parts used in printing processes

4752 Composition of texts by any procedure

4753 Reproduction of texts or images for printing

4754 Binding

476 Editing

4761 Editing of books

4762 Editing of newspapers and magazines

4769 Other editing NES

48 Rubber and plastics processing industries

481 Processing of rubber

4811 Manufacture of tyres and tubes

4812 Retreading and reconstruction of tyres

4819 Manufacture of other rubber items NES

482 Processing of plastics

4821 Manufacture of semi-finished plastic products

4822 Manufacture of finished plastic goods

49 Other manufacturing industries

491 Jewellery and costume jewellery

4911 Jewellery

4912 Costume jewellery

492 Manufacture of musical instruments

4921 String keyboard instruments

4922 Wind keyboard instruments

4923 String instruments

4924 Wind instruments

4925 Percussion instruments

4926 Electronic musical instruments

4927 Other musical instruments

4928 Replacement parts, spare parts and accessories for musical instruments

493 Photographic and cinematographic laboratories

4931 Developed films and cinematographic copies

4932	Plates, photographic negatives and developing devices
4933	Photographic copies and enlargements
494	Manufacture of games, toys and sports goods
4941	Manufacture of games, toys and children's goods
4942	Manufacture of sports goods
495	Miscellaneous manufacturing industries
4951	Manufacture of desk goods
4959	Manufacture of other goods NES

## **5 CONSTRUCTION**

50	Construction
501	Building and civil works
5011	Full construction, repair and conservation of buildings
5012	Full construction, repair and conservation of civil works
5013	Bricklaying and minor construction works in general
502	Consolidation and preparation of land, demolition works, drilling for water supplies, foundations and surfacing works
5021	General demolition works
5022	Consolidation and preparation of lands for construction of buildings, including dewatering and dredging systems
5023	Consolidation and preparation of lands for civil works, including dewatering and dredging systems
5024	Foundations and surfacing for the construction of buildings
5025	Foundations and surfacing in civil works
5026	Drilling boreholes for water supplies
503	Preparation and assembly of structures and roofing, metallic posts and towers, lanes, gates, cranes, etc.
5031	Preparation and assembly of structures and roofing and coverings in buildings
5032	Preparation and assembly of structures and roofing and coverings in civil works
5033	Assembly and installation of metallic structures for transport, ports, hydraulic works, bridges, metallic posts and towers, lanes, etc.
5034	Work in natural or artificial stone, or using building materials, provided mechanically driven machines or for more than four workers are not used
504	Installations and assemblies
5041	Electrical installations in general. Installation of telegraphic, telephonic, wireless telephone and television networks. Installation of beacon systems in ports and airports
5042	Plumbing installations
5043	Cooling, heating and air conditioning installations

## **SPANISH ENTITIES DESCRIPTION**

### **1) AUTÓNOMO:**

An *autónomo* or individual entrepreneur is a physical person that carries out, **under his own name** or as the owner of a company, a commercial, industrial or professional activity.

This figure implies the complete control of the company by its owner that personally manages it and is liable for the debts contracted with all his company and personal assets.

The reasons for choosing this legal status might be fiscal and due to the **simplicity of establishment** and formal obligation. There is a high level of risk if the investment is very important.

### **2) SOCIEDAD ANÓNIMA (S.A.):**

Commercial corporation with a capital divide into shares equivalent to the investment made by the partners who won't be personally liable of the contracted social debts but only with their investment.

There is a minimum of 1 partner (unipersonal Sociedad Anónima) and the minimum initial capital is of **60.102 Euros** with 25% completely subscribed and paid out (the association articles don't specify any legal limit for the remaining capital). The mention (S.A.U.) must appear on all documents, correspondence, bills and legal announcement (S.A.U.)

In most legislation and in the doctrine, the main characteristics of this type of society are as it follows:

- Limited liability of the partners towards third parties
- Division of the share capital in stocks
- Negotiability of the participations
- Organic personal structure
- Existence under a public denomination

### **3) SOCIEDAD LIMITADA (S.L.) o SOCIEDAD DE RESPONSABILIDAD LIMITADA (S.R.L):**

Commercial Corporation with a capital divided into equal parts that cannot be accrued and are indivisible nor can they be included into negotiate titles or be called shares. **Partner's liability is limited to their capital investment.**

#### **3.1) Sociedad Limitada UNIPERSONAL:**

In the Spanish legislation unipersonal limited societies are permitted, the only partner having a limited liability with third parties, with the following conditions:

The minimum number of partners if 1 and the minimum initial capital is of **3.006 Euros**. This capital has to be completely paid out.

When establishing a limited society with only one partner, the mention (S.L.U.) needs to appear in all documents, correspondence, bills and legal announcements. If another partner joins the society, it should be notified to the Company register and added to the deed of the company.

### **3.2) Sociedad Limitada LABORAL (SLL):**

Societies with a capital mainly owned by the partners that work for it (at least 51% of the capital)

The minimum capital is of 60.102 Euros for the *sociedad anónima laboral* and of 3.006 Euros for the *sociedad limitada laboral*

No partner is allowed to own more than a third of the share capital, except public entities, juristic persons with a majority participation of the State in their capital, autonomous regions or local entities which can own up to 50% of the capital.

The minimum number of partners is 3, with two different types: workers and capitalist. Liability towards third parties is limited to the invested capital by the partners

### **3.3) Sociedad Limitada NUEVA EMPRESA (SLNE):**

Type of commercial corporation created in 2003 that allows to create societies in a few days through a unique digital document (DUE) and with only one appearance in front of a notary that inscribes the constitution deed in the Company Register corresponding to the registered address through electronic signature.

## **4) SOCIEDAD ANÓNIMA LABORAL (S.A.L):**

*Sociedad anónima* or *sociedad de responsabilidad limitada* in which most of the capital belongs to the partners that work for the company and are paid personally and directly, being owners of at least 51% of the share capital.

The minimum capital is of 60.102 Euros for the *sociedad anónima laboral* and of 3.006 Euros for the *sociedad limitada laboral*

No partner is allowed to own more than a third of the share capital, except public entities, juristic persons with a majority participation of the State in their capital, autonomous regions or local entities which can own up to 50% of the capital.

The minimum number of partners is 3, with two different types: workers and capitalist.

Liability towards third parties is limited to the invested capital by the partners

## **5) SOCIEDAD COLECTIVA:**

External society that acts and answers to third parties as a distinct person from the partners and carries out commercial or civil activities under the same unified registered corporate name. Partners are liable for the debts that cannot be covered by the capital with their personal assets.

## **6) SOCIEDAD COMANDITARIA:**

Company characterized by the coexistence of two type of shareholders. The ones that are liable without limitations with their personal assets and manage the company and the ones that don't participate and are only liable with the capital invested.

Benefits:

- The main benefit of a *sociedad comanditaria* by shares is the possibility of attracting capitalist investors, more likely that in the simple *comanditaria*.
- Collective shareholders can attract capital from others, without them interfering in the management of the company.
- Limited liability of the partners

Inconvenients:

- The necessity of a capital of at least 60.102 Euros.
- Complicated paperwork like for a *sociedad anónima*.
- Unlimited liability and solidarity of the managing collective partners

## **7) y 8) SOCIEDAD CIVIL Y COMUNIDAD DE BIENES:**

**7) Sociedad Civil** is a contract that binds 2 or more person to share money and insdutry in order to share profits.

Examples:

- Non Governmental Organizations (NGO)
- Non Lucrative Organizations (NLO)
- Clubs and sports organizations
- Social clubs
- Religious clubs
- Syndicates
- Professional schools
- Neighbourhood organizations.

**8)** However, a *Comunidad de bienes* exists when the ownership of a thing or right belongs "undivided" to several people. Their members cluster to operate or manage an asset, right or existing assets, without obligation bring money, rights or capital to it.

It requires a minimum of 2 people to be created, and no special formality, only a the private contract.

However, in this society, the liability is unlimited, having to respond with business assets and staff.

## **9) COOPERATIVA:**

Work Cooperatives are those associated autonomously to natural and legal persons, who have joined voluntarily to create, maintain or improve for the partners, full time or part time jobs, through the common organization of goods or services production.

The minimum number of partners is 3 and the minimum social capital is 1,803 € which should be divided into personal contribution from the partners or associates. 25% of the capital needs to be paid out and no member can own more than 45% of the share capital.

Limited lliability to each partner's contribution.

Management is democratic and partners get the cooperative's profit, depending on their activity but not on their invested capital.

They also have significant tax advantages.

## 10) ASOCIACIÓN:

Broad term that in law and economics can refer to:

**Asociación (Law)**, the juristic person formed by all the persons associated for the same reason.

**Asociación económica**, various kinds of economical associations between persons or companies.

**Asociación voluntaria**, private law association that exists because of the desire of both sides.

**Asociación política**, name given to the institutions contemplated by the Spanish Political Associations Law, its pretension was a shy political opening in Spain, but without legalizing political parties opposed to the Franco regime.

## 11) CORPORACIONES LOCALES:

Local corporations in Spain, are as it follows:

- City Councils
- Provinces
- At the Spanish Islands: "Inter-island Council" in Canary Islands or "Councils" in Balears Islands.

## 12) ORGANISMO PÚBLICO:

Public law entity, depending of the General Administration of the Spanish State, with a separated public juristic personality and its own assets, cash and management's autonomy for the terms envisaged by the law.

Among these activities, the Law makes a generic reference to administrative, building management or performance, as well as economic content.

## 13) ORGANISMO DE LA ADMINISTRACIÓN:

Public administration is a term with vague limits that covers all public organizations that perform administrative and management functions for The Spanish State and for other public entities with legal personality, whether they are regional or local.

It is mainly composed of the executive and the agencies that are in permanent contact with it.

The notion extends to teachers and other public education workers, as well as professionals in state health centers, police and armed forces. It is argued, however, if members of the public services provided by private organizations under the authority of the State belong to it. The concept is not extended to state institutions which perform States' legislative or judicial functions.

#### **14) COMUNIDAD DE PROPIETARIOS:**

Legal entity constituted by the totality of owners of the same building and governed by the rules and by-laws agreed.

While there isn't a separate juristic person, it conserves many of its features, which makes it a hybrid, able to perform certain legal transactions.

The aim of the so-called neighboring communities is to decide on matters pertaining to common building owners.

Owners Communities in Spain are governed primarily by the Horizontal Property Law. This law regulates the use of space and common services building.

#### **15) UNIÓN TEMPORAL DE EMPRESAS (UTE):**

Union of 2 or more companies to perform a work or provide a service, becoming, while the work lasts, one temporarily company, usually with a large amount.

This union involves joining resources, knowledge and experiences of the various partners. Companies by themselves would need to invest heavily in machinery, infrastructure ... to achieve the same objectives.

The union has economic and fiscal advantages, since the resources of several companies altogether are higher than individual, involving execution costs reductions and the power to make an offer most advantageous to the client. Moreover, the associated risk is diversified among all them and they can negotiate better conditions obtaining guarantees and third party funding, funding a lot less important for the UTE than for a single company (because it is funded by member's contributions and resources that it can generate itself).

The UTES must respond subsidiary of the joint venture debts and solidarity and unlimited among them. That is, their creditors should be addressed towards against any outstanding and commodities under the name of it. If credit is not satisfied any partner can be held responsible for it, which may require payment of all debts, given the solidarity that exists, and always taking into consideration the system itself (corporate or otherwise) of the associate company.

#### **16) CONGREGACIÓN:**

Brotherhood of the faithful to the same religious tradition, usually Christian

In the Catholic Church it has various applications, including:

- Secular priest's community dedicated to the exercise of ecclesiastical ministries.
- In the Vatican, any of the meetings arranged by cardinals, prelates and other people.
- Approved religious institute whose members deliver simple votes.
- The congregation: the Church, which joins all believers.
